

DOUGLAS FIR NATURE TRAIL, SUNNYSIDE ACRES URBAN FOREST

# Sunnyside Acres Urban Forest Newsletter Fall 2019

## Planting Party

Surrey Parks will supply all tents, tools and gloves, along with some coffee and goodies.

Please plan to stop by on Saturday, October 26 after 10 am for the chance to plant a tree that you could visit over the coming years!

It is free and all ages are welcome.

## Maintenance

Over the summer the Surrey Parks SNAP team did some trail maintenance. A spot that used to get puddles is now ditched with a small pipe running under the trail.

Ron and Jean enjoyed having an opportunity to meet and speak with many of the SNAP and SHaRP team members regarding this restoration project.

## Photo Contest

Take a photo in Sunnyside Acres between now and March 19 for a chance to win prizes. A selection of images will be printed and displayed in the spring. There's a category for kids ages 10-18.

[www.SunnysideAcres.ca](http://www.SunnysideAcres.ca)

We now accept membership payments by electronic fund transfer.
